Guide to Area Restaurants

The Downtown Vancouver & Stanley Park area is also known as the **West End**. The **West Side** is south and across the water, so requires going over the Burrard, Granville, or Cambie Bridges. **West Vancouver** and **North Vancouver** are north and across the water, over the Lions Gate or Ironworkers Memorial Bridges (or accessible by water on the Seabus).

In Vancouver, street numbers move up or down by 100 from one block to the next. You can use this to estimate distances from the Sheraton Wall Centre (starred on map) at 1088 Burrard, e.g. the *Boulevard Kitchen & Oyster Bar* at 845 Burrard is two blocks from the hotel. This guide is approximately ordered according to distance from the conference hotel.
